

SECTION A.

D. U. GLEE CLUB
IS HERE TODAY

Students Will Sing At
Convention Hall In
the Afternoon.

NO ADMISSION CHARGE

Three Former Tulsa High
School Students Will
Appear On Program.

The Oklahoma University Glee Club, featuring John Lee, the "Spoon Soldier," will sing at Convention Hall at 2:30 this afternoon. There will be no charge for adults.

Three Tulsa boys, students at the university, are prominently in the glee club. They are Chester L. Steiner, a graduate of Tulsa high school; George Rutherford, a 1917 graduate of the high school; and E. G. Thomas, who graduated from the high school last year. Features of entertainments at the university's "Mardi Gras" feature in the student program are the singing of "The Soldier's Dream," the "Gardner's Fantasy" and an air by "Grandfather" and a solo by "The Boar of Asturias." Two hours of fun and two screams open in one and two screams close in another tenor in the glee club.

John Lee, a university student in his second year, in competition with more than 4,000 college students in the university's "Mardi Gras" feature in the student program as the winner of the singing contest. Rutherford, a graduate of the high school, and an air by "Grandfather" and a solo by "The Boar of Asturias" are the highlights of the program.

The glee club is beginning a week's tour through the state. Concerts will be given at Sand Spring, Sapulpa, Okmulgee, Hollidale and Muskogee City.

S A PRIZE PIG GROWER

Major County Youth Took Blue Ribbon at Oklahoma Fairs.

Report to the West.

CHICAGO, Nov. 29.—The champion pig grower of Oklahoma is at the international live stock show, which opened today. He is the guest of Armour's farm bureau and is winner of the \$325 free trip to the show, where along with some 200 other hogs from other states he will be shown and entertained while in the packing house part.

The prize winning boy is Chester Steiner of Tulsa, Okla. He expected to find a China hog and a small Chinese gift at the Oklahoma fairs, where he won first premium on each. His hair incidentally took the price as grand champion.

KISSCURL' WAS CAUSE OF
MISS MARTIN'S TRIP HERE

LONDON, Nov. 29.—A curl it was that sent Miss Kathleen Martin to the Mauritius to land with a splash in the middle of that broad ocean, for which many strive unsuccessfully throughout life.

When she got ashore in the Mauritius, where in England "kisscurl" the little fair-haired person was distinctive, she concentrated all her attention on the various "kisscurls." It got the collective coat of the soldier boys, particularly the officers of the air force, who wrote her letters to the basketful. And it even got on the front page of a New York Sunday-paper pictorial section. There Mr. Dillingham saw it and decided to do something about it.

Kathleen (not the next best, while the rest was remained to fight) through her new relation for a living was that will protect them from traveling "kisscurls."

BUFFALO CITY COURT TO
STOP SUNRISE SESSIONS

BUFFALO, N. Y., Nov. 29.—The session of city court, which is held at 1 o'clock to clear away cases of infraction and other minor charges, will be discontinued by the judges. The date of discontinuation has not yet been fixed, but it will probably be January 1.

The reason for dropping the pleasure special sitting of the court is the falling off in the number of cases arrested for public intoxication. Yesterday there were only five charged for drunkenness. There used to be fifty on a Sunday morning.

The cases now occupied by the court will be left over to the probation department.
